Delay Will Be Costly, Mokena Board Warns; Must Pay Water Bills

100 YEARS OLD—St. Paul's Episcopal church at Manhattan was built a century ago and is still in use but in a new location. Special services will be held Sunday to mark the anniversary.

St. Paul's Church At Manhattan To Celebrate Centennial Sunday

St. Paul's Episcopal parish of Manhattan is celebrating the centennial of its church this Sunday, Oct. 13. A special service is planned for 4 p.m., with the Rt. Rev. Charles L. Street, suffragan bishop of the Chicago diocese, the Very Rev. James Parker, of Kankakee, head of the south deanery, and the Rev. Humphrey C. Dixon, of New Lenox, vicar of the parish, officiating.

Following the services a tea and reception will be held for the clergy, present and past parishioners and friends of the church at Sportsman's hall, Manhattan. There are many former parishioners now living in other Will county communities who are expected to attend the services and reception Sunday.

There are quite a number of churches in northern Illinois that were organized a hundred years or more ago but there are very few places where the church building itself has been in use for that span of time. St. Paul's of Manhattan is one of them.

First Vestry

A mission was established in Manhattan in 1853 and attained parish status Jan. 1 1857, according to the old records of the church. John Young and Edward B. Craft were elected wardens and Edward Lawrence, Hiram W. Hubbard, Charles J. Lord, John M. Hill and Parker Barrett were elected vestrymen.

These men, plus Caroline Young, Sarah Crafts, Susan Hubbard, Mary J. Hill, Emily Sperry, Harriet Hubbel, Faney Lord, Elizabeth Young, Clarke Baker, Lucetta Hubbard, Edward Young, Edward Hubbell, Margaret Hubbell and Hettie J. Lawrence, signed the request for organization.

The Rev. L. W. C. Locke, rector of Christ church, Joliet, served St. Paul's from Jan. 1 until late summer in 1857 while the church building was under construction. The Rev. Charles B. Stout was called as rector of the parish on Aug. 22 and began his duties as such the first Sunday in Sept. The church was consecrated Oct. 11, 1857, by the Rt. Rev. Henry John (Continued to page 16)

Open Drive For PTA Members

The Mokena PTA has planned a unique manner in which to conduct their membership drive. It will continue for this week only, with Mrs. Lawrence Istel as chairman.

The drive centers around an Indian theme with Indian Chief posters placed in each class room.

Each pupil has been given two feathers, a red and a blue one. For each membership brought to the school, a feather will be placed in the chief's head dress.

Competition will be high among the rooms to see which room will be the first to have 100 percent membership. Parents may help the drive by signing the membership cards with the annual fee, and giving them to their children to be returned. Where there are children from one family in different grades, credit will be given in both rooms. —Mrs. Harold Behen, publicity.

University Trustees View Sites For Proposed U. of I. Branch

The advance committee for University of Illinois branch site selection who toured the South Cook county region Tuesday by bus, expressed that it was the best conducted tour they had taken so far. They seemed impressed by the sites inspected as proposed locations by the regional committee.

Frank Ozinga, state senator, who accompanied the committee on the tour, advises area residents to write trustees of the University of Illinois expressing their desire that the branch of the University being proposed, be located in the southwest Cook county area. Their letters may be addressed to any of the following:

Park Livingston, LaGrange; Doris Simpson Holt, Flora; Cushman B. Bissell, 220 E. Walton pl., Chicago; Frances Best Watkins, 5831 Blackstone ave., Chicago; George Wirt Herrick, Clinton; Kenney E. Williamson, 752 Moss ave., Peoria; Wayne A. Johnston, 135 E. 11th pl., Chicago; Timothy W. Swain, 3820 Bigelow st., Peoria, or Earl M. Hughes, route 1, Woodstock.

A regional interim report, recently sent to U. of I. trustees, called for consideration of a South Cook county branch university on the basis of unexcelled transportation facilities by means of bus and near by railroads, extensive commuting on a network of super highways and expressways, great need by reason of a projected three-quarter million population increase in ten years, lack of colleges in the immediate area and the abundant possibilities for student employment in region industries.

Chapman on Committee

Hunter Chapman, superintendent of Lincoln-Way High school, has been appointed on an educator's committee under the chairmanship of Dr. H. L. Richards, Blue Island Community High school superintendent. Dr. Richards' committee held its first meeting last week. Plans to enlarge the committee by contacting all prominent educators in the region, are being made.

Mr. Chapman, who is working toward the location of the proposed branch in this area, advises that seven high schools in the area have a total of 8,000 students, a large potential for a university.

At the fall conference and dinner meeting for the Wilrooke division of the Illinois Association of school boards held last night in the school, Mr. Chapman presented information to those present on the proposition of locating the University branch in the southwest Cook county area.

CORRECTION

In the George F. Bobzin public sale as published in last week's paper, it listed 11 Guernsey Heifers. It should have been: One Guernsey Heifer.

Flu Bug Causes Attendance Drop In High Schools

Although not of epidemic proportions, a more than normal amount of high school students in the area have been hit by the flu bug.

At Carl Sandburg High school W. O. Fisher, superintendent, reports this week that 25 to 30 per cent of the student body are absent due to illness. Normally at this time of year, absenteeism runs around 4 per cent.

At Lincoln-Way High school, Hunter Chapman, superintendent, announces about 10 per cent of the students are absent on account of illness.

A member of the administrative department in Bremen High school indicated a more than normal number of students were absent, but did not know how many.

Fire Prevention Week Oct 6-12

This is Fire Prevention Week. From Oct. 6 to 12, people are reminded by volunteer fire departments in Tinley Park, Orland Park, Mokena, New Lenox, and Frankfort to follow all safety rules in preventing fires with resulting loss of life and property damage.

Some precautions to be followed in preventing fires is to keep matches out of the reach of small children, to clean out garages, basements and attics of all rubbish, not to store oily rags, and not to overload electrical circuits.

Library Gets 300 New Books

There are interesting books for readers of every age in the new collection of 300 state library books now available at the Mokena library. For the pre-school child there are books with large pictures, for the older child books on a variety of subjects including careers, nature books and books on sports. For the adult reader there are mysteries, novels and many other books including how-to-do-it's.

These books belong to the state library and are available without charge to residents of the Mokena area. They may

Persons who delay in signing up for sewer service face a \$100 dollar charge, according to action taken by the Mokena village board Tuesday night.

The board instructed its attorney, Ray Hooleyhan, to draw up an ordinance fixing the connection fee at \$100 for those who have not signed applications for service, accompanied by a \$10 deposit, by Oct. 31.

The village also plans to pass an ordinance requiring all property owners within the village to connect with the village sewer and water system following completion of the sewer and sewerage treatment plant, thus conforming with state and county health regulations, it was stated.

WATER BILLS DUE

The board also announced that effective tomorrow, Oct. 11, water service will be shut off in those homes where inhabitants are delinquent in their water bills.

Where a tenant has moved out and has not paid the water bill the amount due will become a lien on the property, the board said.

Representatives of the bond houses interested in the Mokena issue were present at the meeting Tuesday night. Originally the bond houses had stated they required 350 applications for service, accompanied by a deposit of \$10 each, before they would take the bonds.

At the meeting Tuesday night the bond representatives reduced the number to 300 signatures.

Need 60 Signers

To date the number of signers is approximately 240, according to village officials.

They point out that inasmuch as the sewer system will have to be built eventually property owners who have not yet signed will find it to their advantage to do so and save themselves \$100. The village has accepted bids on construction of the treatment plant and sewer system, pending the sale of bonds, that are lower than the engineer's estimates. The contractors cannot be held to those figures too long, it was explained, and should the program be delayed so that new bids have to be taken-say next spring-those in charge believe the prices will be higher.

If the program is delayed much longer, they added the government may cancel its \$69,000 grant for application of the cost of the treatment plant. That would mean that the property owners would have to make up the sum, it was stated.

The water rates have been raised and it was pointed out that construction of the sewer will boost the total amount of the only 25 per cent it was said.

Church Of Christ Calls First Full-time Pastor

The Tinley Park Church of Christ, which held its first service in Tinley Park April 15, 1951, is announcing their first full time pastor. He is the Rev. Richard Kirkland, who came from the Church of Christ in Brainerd, Minn.

The Rev. Mr. Kirkland and wife are both graduates of the Minnesota Bible college in Minneapolis. Their former home was in Hammond, Ind. They have a son Daniel Lee, four months. They are now nicely settled in their new home in the church parsonage in Tinley Park.

Among some of the plans made by the new pastor are an active youth program which started Oct. 1, and also a new Bible study method for the Wednesday evening meetings on the Book of Acts. Plans are also under way for a building pro-

gram which will include a baptistry, a minister's study and more Bible school class rooms.

According to the membership, the church has made a steady and successful growth. Robert M. Lillie, district evangelist was the first pastor. There were 30 present at the first church meeting, which included eight transferred members and one by profession of faith. Four other members joined at the evening service.

As the work progressed, attendance increased. The congregation bought the former Zion Lutheran church building in 1955 and held their first service in it Feb. 13, 1955.

Soon after its beginning, plans were made for a daily vacation Bible school, the first of its kind ever to be held in Tinley Park. Mrs. George Curtis was in charge of the school which had an enrollment of 42.

During the pastorate of the

Rev. Mr. Lillie, 34 new members came into the church. After Rev. Lillie was called to a church in Gary, Indiana, he was succeeded by Brother Paul Keeler in 1953. After his decision to go into the ministry he resigned in 1954 when William Scattergood, a student in the Lincoln Bible institute became the new members joining the church unpastor. There were seven new der the ministry of Brother Keeler and 21 while Brother Scattergood was pastor.

When the latter resigned, Brothers Walter Leeper and Walter MacDowell served as part time pastors. Mr. Leepers left the church in March 1957, followed by Mr. MacDowell who left this Sept. 1 when Brother Kirkland arrived.

No Secrets For Taxing Bodies

By MAURICE W. SCOTT
Executive Secretary, Taxpayers' Federation of Illinois

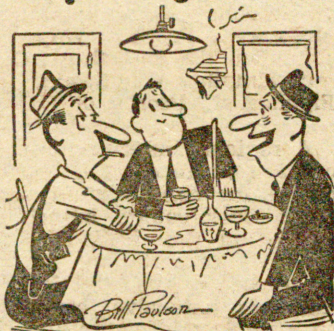

A trend that taxpayers have the "right to know" the facts about their state government has developed in Illinois during 1957. This trend is heartening, because it is evident both in the legislative and executive branch of the government.

At its recent session the general assembly passed a bill, sponsored by Representative Paul Simon of Troy, that requires all meetings of tax supported bodies to be open to the public. Naturally, the new statute excepts certain meetings and information, such as deliberations for decisions of the Illinois pardon and parole board, the divulgence of which would not be to the best interests of citizens and taxpayers. Not only will the new law make it easy for the taxpayers to learn how his tax dollar is being spent, but it will go a long way toward gaining the confidence of the public for the officials serving on the governing board.

The records management bills resulting from the last session of the general assembly also contain provisions which insure the public the right to inspect and view State records.

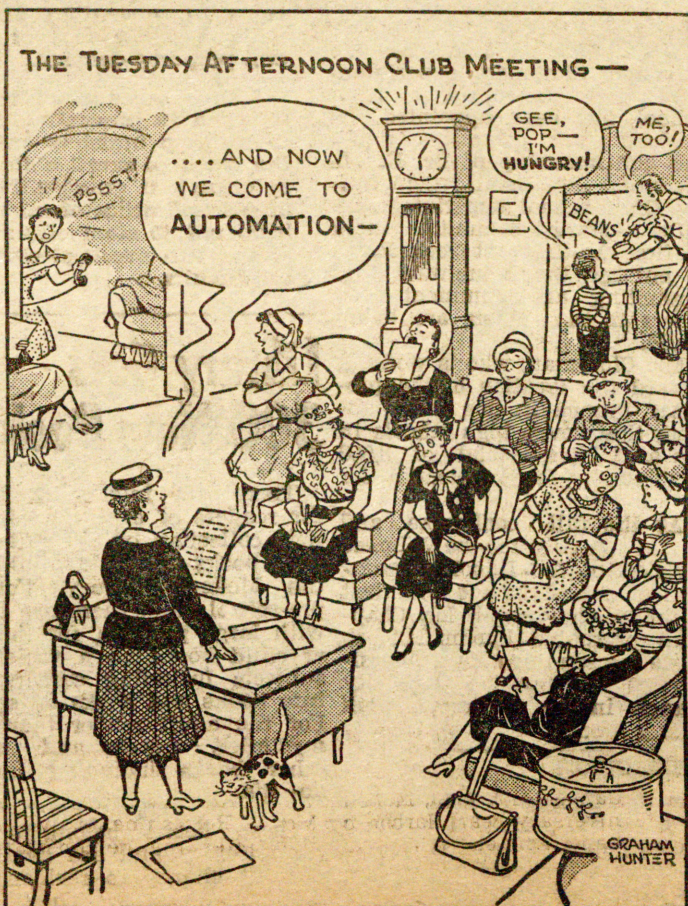

Not to be out-done by the

legislative branch of the state government, State Auditor Elbert S. Smith reported to the general assembly, and to the public, regarding the expenditure of monies from a deficiency appropriation made to his office. Auditor Smith's report was not only complete and frank, but it showed a return of \$146,000 of the original \$369,259 appropriation to the state's treasury.

The doors are opening—now it becomes the duty of taxpayers to take advantage of their new opportunity. Only an informed public can vote intelligently for officials who will protect their interests. Officials who make their records and meetings an open book show a desire to work for the public's welfare and should be encouraged.

PTA News

KIRBY-McINTOSH

The Kirby-McIntosh PTA met Oct. 8. Miss B. M. Campbell, superintendent of Cook county department of board of health was the speaker. Her topic was "Health Service in Public Schools."

Kirby-McIntosh PTA Health chairman, Mrs. William Goble, and Walter Kosek, Kirby school principal, Miss Mary Stypul, and Nurse Dawson of the public school health department, have met and made plans for the school health program. Miss Stypul and Nurse Dawson were at the school and gave vision and hearing test to the children on Oct. 1.

Our next PTA meeting will be Nov. 12 and will be demonstration of classroom work.

TINLEY PARK

"What is Your PTA?" was the subject discussed at the meeting of the Tinley Park Parent-Teacher association Oct. 4 in the Tinley Park School auditorium. Guest speaker was Mrs. Paul Patterson, Midlothian, recording secretary of the Southwestern Area PTA council and a past delegate to the White House conference.

Mrs. Patterson explained the objectives of the PTA and how the local unit also serves at state and national levels.

Futher plans for "Family Fun Night", Oct. 18, 6 p.m. to 10 p.m., will be revealed. "Be sure to mark the date on your calendar," asks Mrs. James Elliott, ways and means chairman. "We need articles for the White Elephant sale (any useful items other than clothing), homemade jams and candy, records and comic books, boots and rubbers for exchange and sale, plants and planter, and ten cent prizes for the fish pond. For pick-up service, please call me at KE 2-4571."

Since last year's PTA-sponsored square dances were a success with the young set, twelve more will be given during the new school year, according to Mrs. Charles Powers, recreation chairman. Seventh and eighth grade students from the Tinley Park school, St. George Catholic and Trinity Lutheran are invited to attend these parent-chaperoned dances. Mrs. Powers will announce the Friday night dates when final.

Mothers of fifth, sixth, seventh and eighth grade students were invited to a "Get Acquainted Tea" on Oct. 3. The tea was given by the PTA executive board in the Tinley Park village hall.

LINCOLN-WAY PTG

Members of the Lincoln-Way high school faculty were introduced at the Parent Teachers Group meeting held Oct. 2 in the school cafeteria. The PTG thus not only renewed acquaintance with the teachers who were on the staff last year but also met the new instructors.

The new teachers, introduced by Supt. A. Hunter Chapman, are Ralph Christison, mathematics and general science; Thomas Hake, general science; Miss Mary Fulton, English and U. S. history; Ronald Larson, social studies and wrestling coach; Paul Thomas, business education and Mrs. Elizabeth Zorn, general business and typing.

The next meeting of the PTG, scheduled for Nov. 6, is to be in form of a miniature school day for parents, under the auspices of the Future Teachers as a part of the observance of American education week. Parents will go thru a typical school day.

PTG officers for the current year are: Mrs. Clarence Lauffer, president; Loren Schleeter, vice president; Mrs. Joseph Alexander, second vice president; Glenn Schroeder, treasurer and Mrs. Jane Anderson, secretary.

MAUE SCHOOL

The Maue School PTA met Oct. 2 in the school. Mrs. Raymond Knieriem, president, presided.

Committee chairmen for the year were announced as follows:

Virginia Donovan, budget; Lois Strassenberg, hospitality; Corlis Cruise, health; and Al-

ma Stellwagen, publicity.

It was decided to have a toy parade Nov. 15 as a money making project. Everyone is welcome.

Plans were made to have a hot dog day the last Wednesday of each month when the PTA mothers will serve lunch to the children and teachers at noon. The charge will be 25c for first helpings, and 15c for seconds.

Following the business meeting an interesting demonstration was given by Mrs. Chester Williams who showed how to make unusual Christmas tree ornaments. Each one present made one to take home. She also showed her large assortment of beautiful and unusual hand made ornaments.

After the meeting lunch was served in the basement dining room. The table was decorated with an appropriate fall center piece. Mrs. Norman Strassenberg was chairman of the lunch committee.

Driver Training In High School Pays Dividends

The "behind the wheel" driver training program at Lincoln-Way, Carl Sandburg Rich high schools is a part of the statewide driver training program which was cited for excellence for the second straight year by the Association of Casualty and Insurance Companies recently.

Driver training in Illinois is conducted by Vernon L. Nickell, state superintendent of public instruction, and is supervised by George Mathis, director of safety education under Nickell. Rich and Sandburg high schools are two of 19 high schools in Cook county and Lincoln-Way is one of three high schools in Will county which have "behind the wheel" driver training. In all, 365 of the state's 880 eligible public and private high schools have "behind the wheel" training. A total of 757 high school including Bremen have classroom instruction in driver training, which is approximately 87 per cent of the total.

The driver training conducted by Nickell is a part of the overall traffic safety program of Gov. William G. Stratton, who received the citation from the insurance organization. Pursuant to a law passed by the last Illinois general assembly, schools whose courses meet certain specifications may receive state reimbursement in the amount of \$30 for each pupil who completes the driver training course. At present, 290 of the high school or unit districts staging the "behind the wheel" training have applied for this reimbursement.

Public high school officials who have "behind the wheel" driver education programs in their schools may still make application for participation in the reimbursement program for the fiscal year now in progress. A deadline date for the filing of intent to participate has not been set. Reimbursements are made by Nickell's office to

CLOVER BELLES
Officers for the ensuing year were elected at the first meeting of the 4-H Clover Belles Sept. 20, at the home of Margie and Carol Kimmel.

Carol Kimmel was elected president; Marjorie Andres, vice president; Margie Kimmel, secretary, Barbara Schilling, treasurer and Carol Monson, reporter. Those elected to the recreation committee are Betty Comnier, Patty Grote, and Jean Schilling.

Refreshments were served by Margie and Carol Kimmel.

The next meeting will be Oct. 11 at Carol Monson's home.

On Saturday, Sept. 28, ten girls together with Mrs. Harold Andres, Mrs. Irvin Kimmel and the leader, Mrs. Katherine Ihlenfeld, spent the day in Chicago. They visited the Prudential building from which they were able to look over Chicago, and also went to two hobby shops.

Mrs. Ihlenfeld is now in her 20th year leading 4-H clubs.

SCOUT NEWS

Tinley Park Boy Scout troop 255 acted as host for the Potawattomi district Court of Honor of the Pokagon Trails Council, Boy Scouts of America, held in the Tinley Park school auditorium Tuesday evening, Oct. 1.

Troop 255 presented the colors and Archie Albert, Scoutmaster led in the pledge. Jack Spiegelman, adviser of Post of 255 Explorer Scout of Tinley Park, presented the Court of Honor, composed of the following:

William Kozel, chairman advancement committee; Fred Clavin, Scoutmaster troop 205, Harvey; George Simpson, chairman committee troop 250, Markham; Charles Deegan, Scoutmaster troop 274, Dolton, and Bill Ramsay, district chairman. Also present was the new district executive, Ray Radtke.

The climax of the Court of Honor was the presentation of the Eagle award to Scout Richard W. Carroll, troop 274, Dolton. There were also nine life, 13 star, 14 first class and 32 second class badges awarded.

Members of troop 255 or its graduates in Explorer Post 255 received awards in every bracket except Eagle.

The day is not too far off when a Tinley boy will receive his Eagle award. Barry Haber and Bruce Klingaman, both of Tinley Park, received their life badge which is the last rung of the ladder before Eagle Scout.

Potawattomi district of the Pokagon Trails Council extends from Calumet City to Orland Park.

POKAGON TRAILS COUNCIL

Boy Scouts of American Pokagon Trails council, which this year enrolled its 10,000th Scout, a growth of 3,000 in three years, will conduct its annual finance campaign for operating funds beginning October 15 in 38 communities of Illinois and Indiana.

Council finance committee chairman Joe Swingle of Homewood said "in about one-half of our communities the Scout campaign will again be part of Community Funds and United Chests, some of which have already started their annual drives. In the other communities Scouts will conduct their own finance campaign for operating funds."

In communities without community funds the Scout campaign will be the drive formerly held in February. "In non-chest towns," explained Mr. Swingle, "it will mean that we will be staging a campaign in October, even though we already had a campaign in these communities last winter."

"We want to be sure that the public understands what is involved. The funds raised last spring were for the 1957, or our current, budget. The funds which will be raised in October will be for the 1958 budget. In other words, there will be no campaign for operating funds next spring. It will be held now and in the future in October rather than in February."

Pokagon Trails council's 10,000 boys include 6,000 Cubs, 3,000 Boy Scouts, and 1,000 Explorers. There are approximately 3,000 adult leaders, including 600 den mothers for Cubs and 2,400 men Scouters for Cubs, Boy Scouts, and Explorers.

The council has a summer camp at Camp Betz near Berrien Springs, Mich., and week-end sites at Camps Eggers, Roe, Hawes, and Nissaki. As early as February this year reservations were filled for Camp Betz, which has a season capacity of 1,000 boys. After then, Boy Scout troops and individual boys registered on a waiting list, their attendance depending upon cancellations. Reservations are filled six months in advance for the four week-end camp sites.

Raymond J. Donovan of Calumet City is Scout executive and Joe Claffey of Hammond is assistant scout executive. District executives are Joseph Kosut of Chicago Heights, Peace Pipe district, and Ray C. Radeke of Park Forest, Potawattomi district. Council headquarters are 5217 Hohman avenue in Hammond.

NEED DEN MOTHER

Cub Scout Pack 255 is greatly in need of a Den mother in the Parkside area. After a den has been organized, it is not for the best interest of the boys to dis-

solve it and place the boys in other dens.

Should the prospect of being a Den Mother seem too difficult, that should not deter one, as a den chief would be available. In addition, the boys themselves can prove extremely helpful.

Anyone who is interested may secure more information by contacting Mike Haber, KE 2-2903 or Robert Meyer, KE 2-4483.

MOKENA TROOP

Boy Scout Troop 40 of Mokena spent the week end attending the district fall camp out at the Scout Reservation at Morris.

This trip was unique in that it was the first rainless camp-out Troop 40 has had this year. Troop 40 participated with the Beaver, Wolf and Indian patrols in competition with 39 other patrols of the 14 Troops that attended.

Of the 17 scouts who attended from Troop 40, seven were

new comers to the troop, making this their first scout camp out. Six were just graduated from Cub Scouts on the 26th of September.

The scouts attending were Rich Majher, Mark Muehler, Todd Bennett, Ken DeCamp, Mike Mansfield, Wayne Swanberg, Ben Sluis, Bill Anderson, Ross Howes, James Gorman, Paul Dath, Lewis Akers, Robert Hallowig, George Demus, and Eric Jacobson. Due to an infected finger Albert Janer, A. S. M. had to cancel out and Arthur Omland S. M. remained with the scouts.

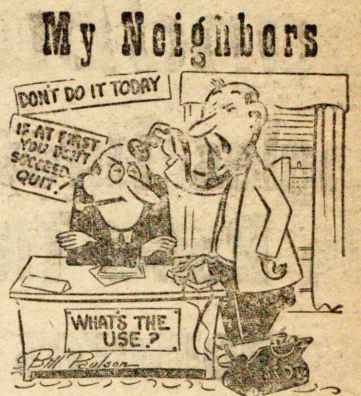

Arriving at the camp at about 8 pm. Friday evening, Troop 40 located and set up campsite with the aid of headlights and a gasoline lantern. Saturday morning all the troops worked on advancement and spent the afternoon in cheerful competition. Their look and skills were both extremely good and very bad.

In wood chopping they came in third, thanks to Ron Badten, of the Indian patrol. In making fire by flint and steel, they literally set the world on fire by taking the following places: 1st place to Mark Muehler, of the Beavers with 10 seconds, 2nd place to Todd Bennett, of the Wolf with 10:14 seconds. In water boiling, an one man event, their luck was slightly bad.

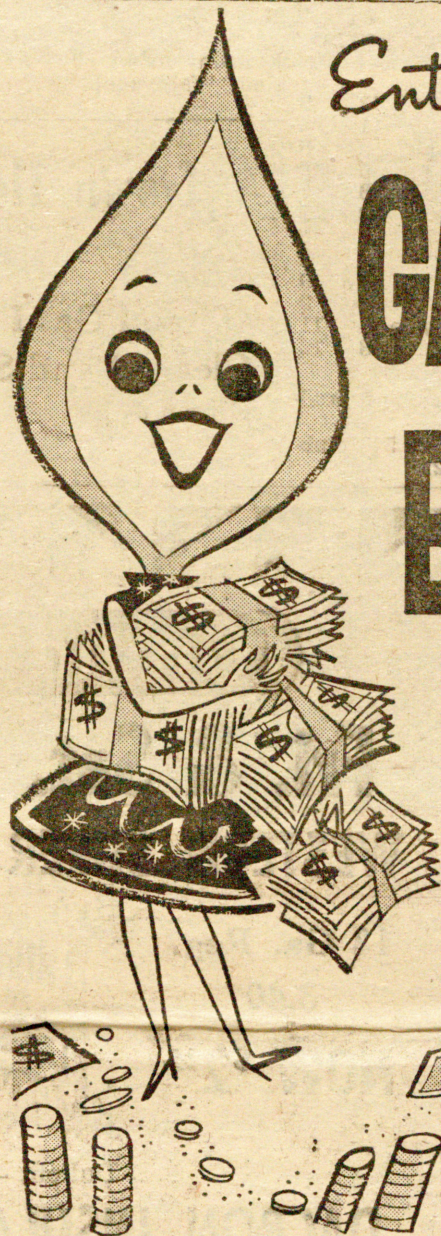

The Indians was disqualified for receiving outside assistance, and the Wolf's fire was so hot it was impossible to keep supporting the container and finally scorched fingers had to let the container fall. The Beavers had better luck and Mark Muehler took 3rd spot.

In knot tying Troop 40 also ran, and no entry was made in the signaling contest. All in all the time was well spent and anxious scouts are looking forward to the next big event.

Sandburg Varsity Routs Reavis 25-0

Eagles Throw Block On Rams Title Hopes; Sophomores Lose 6-0

The Rams of Reavis, unbeaten in three previous starts, received a severe blow to their title hopes on Saturday when the Sandburg Eagles shut them out, 25 to 0.

Coaches Joe Devine and Bob Wilbur unveiled a single wing offense at the start of the game, much to the chagrin of the Rams and the delight of the home crowd. Fullback Allan Jaklich, a converted tackle, brought the crowd to its feet early in the game with a brilliant 74-yard run for the first touchdown. In broke loose and scampered 67 yards to paydirt.

At the start of the fourth quarter, Phil Yurtis climaxed an Eagle march with a one-yard touchdown plunge. Al Jaklich rushed for the extra point.

Wayne Borre intercepted a Ram pass to set up the final T.D. In the first play following the interception, Jay Morlock hit Yurtis with a ten-yard pass and Phil ran the remaining 25 yards for the score. Final score was Sandburg, 25, Reavis, 0.

The Eagles displayed a well-balanced attack, hard running and fine passing, very capably directed by Eric Johansen with a fine performance by all hands. The defense, which has been one of the Eagles strong points all season, was extra tough as the shut-out indicated.

The sophomores, hampered by the flu-bug, suffered their first loss of the season. After three and one half quarters of scoreless play, the Rams punched across a touchdown and held on for a 6-0 victory.

Sandburg Harriers Lose to Rich 20-50; Meet L-W Tomorrow

Sandburg cross country team was defeated by Rich, 20 to 50. However, individual honors went to Eagle Reed Williams, who toured the 1.9 mile course in 10:14. Hinelene of the Rockets, suffered his first loss of the season and captured second with a time of 10:15.

Tomorrow, Oct. 11, the Eagles varsity will travel to Lincoln-Way. The sophomores will meet on Saturday, Oct. 12, 9:30 a.m. at Lincoln-Way.

Bremen Downs Oak Lawn 19-7; Eying Title

The Bremen Braves hung up its third win as against no defeats in the Southwest Suburban conference football race last Friday as they walloped Oak Lawn 19 to 7. The game was played on the Bremen field.

Gary DuBois, quarterback for the Braves, had a good afternoon, completing seven out of eight passes for an average of 10 yards each, and keeping the plays varied enough to run up points.

The Braves' defense was tight enough to hold the visitors to one touchdown. Recovery of a Braves fumble by Rich O'Brien on the Oak Lawns 26-yard line set up the touchdown. On the first play Neil McGee, the Oaks ball thrower dropped a pass into the arms of Chuck Davis in the end zone and added the extra point with his toe. That tied the score at 7-all. The Braves too made their first score as a result of an Oak Lawn fumble shortly after the opening kick-off. Julie Bond scored on a pass from the eight.

Bremen went on to score two more touchdowns but failed to convert the extra points. Bremen scored its lead touchdown on a pass interception and at half time the score was 13 to 6. The Braves other score came in the last quarter. Bremen moved 58 yards, mostly on passes. Observers had high praise for the defensive work of Braves' co-captain, Paul Meents, Gerry Miller, Art Mayes, Bill Fierke and Dennis Jaye.

IN GYMKHANA—These two young ladies were participants in the New Lenox Riding club show held last Sunday afternoon. Above is Kathy Treadway, 7 years old, of Palos Park, winner of the Junior Western Pleasure class, shown receiving a ribbon and prize from Robert Glenn, New Lenox. The other man is Stuart Vanderbilt, of Peotone, the ringmaster and Kathy's horse is named Omega Buck. In the side picture Mrs. Don Warning, secretary of the riding club show is adjusting the arm band, by which the contestants were identified, on Terry Tauber, 11, of New Lenox. (Robert Porter photo)

Rockets Take L-W Varsity 26-6; Frosh-Sophs Wind Up In 7-7 Tie

The Rich Rockets—shut off in the airways—confined their efforts to ground plays in their encounter with the Lincoln-Way varsity football team last week-end and they were quite successful. When the last whistle had sounded Rich was on top of a 26 to 6 score in a Southwest Suburban conference tilt.

The Lincoln-Way frosh-sophs, who had been massacred the week previous when the Bremen Braves piled up a 47 to 0 count, came back against the Rockets and finished with a 7-7 tie, Larry Surges doing the scoring for the Lincolns.

In the varsity contest Rich tried seven passes but the L-W defense against aerial attacks was too tough and only one try was completed. But the Rockets managed to do all right along the ground. The Knights scored first, in the first quarter, and held a 6-0 lead until the second period.

In the second quarter Dan Kramer and Pete Elliot alternated in line thrusts that covered 50 yards. Elliot went over on a plunge from the one to score the visitors first touchdown.

On the kick-off to open the second half Kramer took the ball on the eight and getting some excellent blocking he ran 92 yards to score Rich's second T.D. The kick for the extra point was good and the Rockets led 13 to 6.

Lincoln-Way's lone tally came on a 30-yard run by Ken Weber in the first quarter following a punt by the Rockets' Dan Kramer.

The Rockets scored again in the third quarter and once in the fourth to run up their total of 26 points.

Girl Scout News

Brownie troop 333 had a cook-out at Tinley Creek Woods Oct. 2. Mrs. Harry Bicksler is the new leader of this troop, and Mrs. Edwin Jenkins, co-leader.

Five Brownies became Intermediate Girl Scouts at the Fly-Up ceremony held Oct. 9 in the village hall. Susan Keuch and Linda Waters of troop 460 and Christine Bicksler, Andrea Manke and Patricia Steeves of troop 333 flew up into troop 283, of which Mrs. Ray Anderson is leader and Mrs. Lawrence Weidner the new co-leader. Following the ceremony a lovely program was presented, and refreshments served.

The Altar and Rosary society of St. George church met in the school hall Monday evening, Oct. 4, at 9 p.m. Guest speaker was Mrs. Robert Brennan of Oak Lawn, who gave a review on Edwin O'Connor's prize winning novel "The Last Hurrah." Mrs. Brennan's account was most interesting and left her listeners with the desire to read the book in full. To complete the evening, Mrs. Helen Hattendorf and her "Halloween Horrors", served coffee and doughnuts at tables decorated with candy favors and jack-o-lanterns.

The Bremen Beat

By EDWIN BRUELL

The Bremen Echo, bi-weekly newspaper at Bremen Community High School, recently came out with the initial issue of the school year, done on letter-press for the first time in its history.

"We have received many fine comments on the issue," Norma Walker, faculty sponsor, said, pointing out that if sufficient subscriptions are secured, this format can be used throughout the school year.

The subscription cost has been decreased to one dollar a year.

Jenifer Gilman is editor with Joan Beaman as assistant editor. Business manager is Bud Hedeon with the art editorships in charge of Barbara Johnson and Pat Sabin.

Reporters are Marie Davis, Karen Digman, Judy Erickson, Judy Eslick, Carol Gillaspie, Judy Krull, Pat McDonald, Art Peters, Jackie McShane, Pat Rea, Diane Ricchio, Caroline Sorn, and Fran Swisher.

JoAnn Crawford is faculty assistant sponsor.

STUDENT COUNCIL

A number of activities for promotion of mounting school spirit are planned by the Student Council at Bremen.

Plans include some consideration of suggestions for dress, the possibility of adding waste containers for the football field, and a possible project of acquiring a feather head dress for a Braves' mascot.

Other officers are Guy Molinero, vice-president; Karen Tower, second vice-president; Sandy Bonaker, secretary; and Judy Erickson, treasurer.

Robert DuBois is faculty sponsor with Delmar Egli as assistant faculty sponsor.

Representatives (each home room has one), including senators, are Norma Johnson, Russ Callahan, Jo Ann Long, Charles Smith, Jim James Ken Anderson, Donna Olson, Roberta Trump, Donna Bonaker, Beverly Cannon, Susan Harbach, Sandra Stuart, John Montgomery, Penny Schmidt, Tom Price, Judy Trump, Judy Stehcon, Nancy Campbell, Russell Yonda, Diane Koss, Pat Frank, Julia Rogus, Sue Donnelly, Lynn Lehmann, Ed Trulley, Joan Jennrich, Connie Dunbar.

Peggy Coley, Samuel Johnson, Dick Zonfeld, Joan Bevan, Dave Mensing, Sandra Siemsen, Pat McDonald, Marion Johnson, Roxanne Okerlund, Sandy Boden, Alice Winegarner, Peggy Wilborn, Sylvia Snyder, James Gruhn, Janet Fortner, Jack Riback, Sharonlee Dieniek, Sharon Young, Paul Sundblad, Jackie McShane, Georgette Zirbes, Doris Dini, Mary Ann Zawacki, Dawn Hartwig, Shirley Thomas, Jack Baker, Dan Mensing, Paul Burgcjnk, Ann Christianson, Judy Griggs, Sandra Smith, Gail Veasman, Ronald Woncik, Judy Krygowski, David Syfert, Pat Rea, and Pat Libbert.

Alternates are James Dimmock, Viola Leigh, Robert Cox, Donna McLennan, Carole Kraft, Richard Norbut, Beverly Dunn, Judy Doorman, Loretta Kamba, Audrey Nielsen, Loretta Platt, Donna Reher, Patricia E. Baker, Bunny Wood, Mary Trulley, Janice Bonnell, Kathy Martin, Henry Meents, David Waddick, Sue Siemsen, George Lilly, Carol Chochrek, Judy Porter, Paul Frederick, Fred Wilson, Yonda Williams, Zita Kruzek, George Rieke, Jim Hood, Pat Hall, Judy Adams, Pearl McConnell, Robert Kinder, Barbara Brown, Lana Hopman, Juanita McPherson, Judy Eslick, Pat Rea, Rich Gallagher, John Heil, Joan Young, Bob Krygowski, Caroline Sorn, Betty Powers, Harold Coley, Betty Andrysiag, William Fierke, Helen Morris, Ceann Wallace, Shirley Krzysiek, Walter Hedlund, Jo Anne Rizzuti, Sandra Saunders, and Karen Bonow.

DEBATING CLUB

Thirty-one students of Bremen

high school entered the ranks of the Academicians, debate club, at the opening meeting recently.

Bremen teams will compete in the first debate tournament at Lyons high school in LaGrange Saturday, Nov. 16, with approximately 30 schools competing for honors.

Meanwhile, a number of intersquad debates will be held to prepare for the meets, with debaters and judges voting for the outstanding representatives to enter. Plans include a number of practice debates with other schools after school and possible demonstration debates in social studies classes as well as debates before entire school classes in assemblies.

"We have a group of very enthusiastic students who have already begun their research," Catherine Nutting, faculty sponsor, stated, adding that letters of invitation were sent to candidates selected by faculty members and students on the basis of their willingness to work and their knowledge of and interest in current affairs.

Patricia Bajt is faculty assistant sponsor.

The national debate proposition this year is: "Resolved that all United States foreign aid should be administered thru the United Nations".

Members will gather and present material, and all will work together on a common card file. Awards will be made at the end of the year.

Tom Price, junior, is president, and Pat Rea, junior, is secretary-treasurer.

Other members are Donna Johnson, Edgar Robinson, Judy Stehcon, George Rieke, Gerald Donnelly, Andy Postlewaite, Dan Mensing, Stanley Scherer, Dave Syfert, Paul Feiwel, Barry Haber, Paul Bruecjnk, Gordon Flaws, Fran Koski, Joyce Henderson, Larry Rosenquist, Bob Agosto, Barbara Hopkinson, Dave Mensing, Joyce Ann Szydlowski, Bruce Klingaman, Jenifer Gilman, Joan Beaman, Alice Winegarner, Steve Otrosa, Robert Cox, Kurt Wandrey, David Walker, and Ed Brown.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

The Laguna Woods board of directors has signed the petition to the Suburban Transit Authority for the extension of the bus route from 127th and Harlem to and down 135th street between Harlem and the Southwest highway. Palos Highlands and our other neighbor Orland Hills have

the same petition for bus service. When the line is extended to 135th street you will be able to board the bus at 80th ave. to go to 95th and Western and from there the bus would be an express to a point in the loop. The Suburban Transit Lines is having a meeting on Oct. 22 to discuss this petition.

Most of our new homes are now occupied by their owners. Mr. and Mrs. Westlund moved in last week as did Mr. and Mrs. Mollo and family. Mr. Blowney's home is sold to acquaintances of the Leelands. The Henry Andersons are eagerly awaiting their permit to build. The Andersons will build a ranch type home with basement.

October 2nd the Orland Park school PTA meeting was attended by most of the Laguna Woods parents. It is hoped that you will be able to attend every meeting and for those of you who could not attend we hope we'll see you at the next meeting. We were introduced to Mr. Yager who will be moving into his home on 82nd ave. soon. Mr. Yager's home is the new one next door to the Lou Meridiths. The Yagers were formerly tenants of the brown house near 80th ave. on 135th st. so they are well acquainted with the neighborhood.

Several couples from Laguna Woods and Roseland, spent an enjoyable evening at Math Eiger's German restaurant on the north side Saturday. The latter part of the evening was spent in the Roseland home of the Holly's where there was community singing with organ music.

If your looking for an evening out with fine food we suggest you attend the church suppers. Oct. 3, we enjoyed a turkey dinner with all the trimmings at the Methodist church in Orland Park. Oct. 10 the Lutheran church is having a roast beef dinner and bazaar.

ALL WE CAN GIVE

As children born to this land, we were blessed with a life of trust and opportunity. As children, we played and sang through this world, unaware of the weights and sacrifices borne by the adults before us and around us.

For some, awareness of the toil required to better the world may come at an early age. And this awareness must be expressed in actions for the sake of others. A small action...as a smiling errand for a neighbor; or a large action...as the sacrifice of days for community service. As the man grows, so his awareness grows.

In our village, there has been a slow development of community action and unity. The entrance of our children into the local school system unites us. Suddenly, we, whose children leave us, are aware that our child's development from that point rests a great deal on what he learns from those in the outer world. When we become aware of our dependence on others, we wish at that moment to give also, and to give all we CAN give. For some, it is less and for some it is more, but to the limit for each.

We have lived in this village for a year, many of us, or for less, some of us. During our stay here we were never told of the men who spent 10 hours a day on jobs and commuting, then spent their evenings planning school funds, maps, announcements, and churches. I know of one such man who became too ill to get up from his bed after two straight weeks of such sacrifice. I know of another man who freely gave his energy and free time to the construction labor for a new church. On Sundays he gladly drove miles to take country children to his church's Sunday School. He finally suffered an attack and was ordered to bed by his doctor. But one week later he was back at it. The need did not stop—therefore he did not stop.

What of our women who trudged thru mud and rain to bring us the announcement of our first church service? And our countless women giving money, food, and time for fund raising at our school? These are projects of pride. We all realize that by entering into this spirit of giving, we are at last establishing ourselves as adult citizens in a world of trust and opportunity. And now we are pleased to see our children play and sing through this world. If not the BEST world, at least a BETTER world.

Meet Your Neighbors

Leslie and Evelyn Harris are working hard to finish their new two car garage before winter sets in. Mr. Harris is a professional carpenter, specializing in wood-finishing and carving for home interiors. He is working every night on his new garage, sometimes after dark. On Sundays he has a few assistants working with him but he is doing the bulk of the labor himself. If you are interested in doing such work for your lot, drive past and chat with him about his experiences with it. Address: 179 John Avenue.

Mrs. Hazel Ramsmeier has been most kind in offering her home for a meeting place for the first discussion groups organizing our new Christian Church. The first introductory meeting, by open invitation, brought 22 persons to her home. She served a lovely table full of desserts and hot coffee and tea. Two weeks later she invited mothers to bring their babes in arms to her home for nursery care during morning worship service. During this period she has also been our third-

grade teacher at Coopers Grove school. If you plan to serve refreshments for small meetings in your home, call her for an exchange of ideas. (Evenings). Homewood 6137.

Mrs. Robert Otto, 4725 182nd place, has had the most breath taking wall to wall carpeting installed in the front area of her home. It is pale yellow and fills the entire room with a glow like warm sunshine.

You may have noticed a salmon-colored sedan stopping at homes in our village at all hours of the day and evening. A brisk, smiling man hurries to the door and visits a few minutes, then hurries back to his automobile to drive to another neighbor's home. This has been our hard working minister, Rev. J. J. Vonboskirk who was sent out here by the Church Federation of Chicago to help our village with its new religious needs. Though he lives in Morgan Park and was serving as secretary for the Disciples Union, he has often stayed as late as 11:30 pm. in our village, greeting newcomers and working to solve each week's church plans.

CALENDAR OF EVENTS

DURING OCTOBER CUB SCOUTS PLANNING

Our new Cub Scouts group now numbers 16 boys in the age bracket of 8 to 11 years old. Parents are finishing plans for hobby hours, field trips around the countryside, club projects, and parties. Any boys in the ages mentioned may join the new pack. Handsome navy blue uniforms will later be worn by all the boys—with bright insignias, neckerchiefs, and official caps. There is no heavy expense involved in such uniforms—first quality official shirt and trousers are around \$8. Dues of 50c initial fee, \$1 for parents, and weekly 10c will cover all Cub Scouts membership costs. Call Mr. John Kovach for information: Homewood 5467-J.

MONDAY, OCT. 21

CITIZENS COMMITTEE

Meets in Coopers Grove school main building at 184th and Central. All new citizens are invited to attend open meetings to discuss civic problems, community fund-raising, answer questions and work out answers to newcomers' future aims for our area. Meets every third Monday of every month.

WEDNESDAY, OCT. 16

SOCIAL CLUB

Purely for fun and refreshing needs for friendship, hobbies, and coffee desserts. Just started at Mrs. Stella Schultz's, 4440 W. 182nd Place. All women are invited to come to the next party at Mrs. Clare Verick's, 4421 W. 182nd Place, 8 to 10 p. m.

SATURDAY, NOV. 2

HARD TIMES DANCE

(With Prizes)

All adults of the nearby area are invited to come wearing any old "Hard Times" costume you wish. There will be music, and two major household appliances will be given away as door prizes during the evening. \$1 will buy admission to the dance and five tickets for the door prize. Dance will be at the VFW hall in Homewood. Call Ray Bergmann for information. Homewood 5664.

WEDNESDAY, NOV. 6

MOTHERS CLUB OF SCHOOL

Since there is as yet no PTA, the Mothers club acts as the parent group to help with school funds, parties, and plans. They meet every first Wednesday of every month in the main school building at 148th and Central.

Officers for this year are: President: Mrs. John Thomas,

vice president: Mrs. Leslie Younker, Secretary: Mrs. Leonard Tryner, and Treasurer: Mrs. Willard Murray.

It will be exciting to hear the reports of the fund raising Smorgasbord dinner last Sunday, which was such a rousing, jostling, laughing social success. (If we hadn't made a penny, we would all agree it was worth the effort just for the FUN of it.)

CAUSES FOR COMPLAINT TRESPASSING

Just last week one of my young willow trees was broken in two by a careless trespasser. I must presume it was one of the older boys who have tramped thru my front hedge and down my patio since the day school began behind my backyard. Why should this be allowed? All of us wish to plant bulbs, shrubs, trees and flower beds this year and every year.

Those of us have babies and pre-school toddlers have seen many an expensive toy taken out of our yard by strolling trespassers. Now, while we are so new here, is the time to train every child to respect the property of others. We cannot possibly benefit from living in a village where children are free to remove or destroy private property.

Have you a cause for complaint? This column will be one of the quickest and more thorough ways of reaching all our neighbors. From time to time there are bound to be grievances or even plain petty peeves. Whatever they are, tell me and I will include them in this column with the hope they can then be solved.

OUR NEW BABIES

Jimmy Sullivan. Born July 24, to William and Mary Sullivan, 4635 179th Place.

David West. Born the end of September to Mr. and Mrs. Donald West.

Mark Lynch. Born the end of September to Mr. and Mrs. Tom Lynch.

Do you notice these are all boys? It will be interesting to have you all phone or write me when every new baby is born and we can watch the proportion of each sex. On my own corner, at 179th and John

ave., there are 10 boys and only 5 girls, of varying ages.

What is it like in your part of the village? Let's find out. Everybody call me and we'll make a list.

CATHOLIC SCHOOL

Watch for announcements on the progress of plans for our new Catholic school in the village. Actual building of it may begin very soon now on the property donated by Mr. Merion.

Til next week, May You Fare Well.

That's all for this week. If you wish to contact me, remember: Mrs. Rusty Wilson, 17925 John Avenue, Homewood, 5669.

Til next week.
May You Fare Well.

a change in its rate schedule, as follows:

1. Rider 2, Gas Main Extension, is revised to liberalize the advance deposit provisions for main extensions.
2. Rate 7, an off-peak rate under which gas is supplied to large industrial customers, is modified slightly in order that customers whose off-peak load includes space heating may use gas thereunder on an annual basis for proceeding purposes.

Further information with respect thereto may be obtained either directly from this company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

Most School Bus Crashes Caused By Carelessness

Traffic accidents in Illinois involving school buses totalled 86 last year, injuring 42 students. Many of these would not occur if drivers of other vehicles obeyed the law requiring a stop to be made by all vehicles either meeting or overtaking, whenever a school bus stops on a highway to take on or discharge passengers. Others would not occur if all school bus drivers were properly trained.

With these facts in mind we should be doing something about it. Here are some definite things that may help.

1. Obey the law regarding school buses when driving.
 2. Make sure that your bus drivers are given, regularly each year, a bus drivers training course.
 3. Find out if the township trustee or school board has selected the safest route for buses to and from school. If not, take steps to get it done.
 4. Be sure school children are instructed how to ride buses and how to cross the pavement to and from buses.
 5. Be sure all equipment is in good repair and that, above all, all necessary lights are in perfect working order.
- With everyone helping it should be possible to reduce the number of school bus accidents drastically.

It Is Oak Forest Hospital Now Cook Co. Commissioners Decide

Dan Ryan, president of the committee.

Cook county board of commissioners, has announced that a resolution providing for the change of name from Oak Forest Institutions, to Oak Forest Hospital, has been passed by the county commissioners. This resolution was sponsored jointly by President Ryan and Commissioner James F. Ashenden, chairman of the Oak Forest

The State department of public health declared Oak Forest Institutions to be a hospital on Oct. 23, 1956, when Jerome V. Ray, chief of the bureau of hospitals, reported, "we find the chronic disease service of Oak Forest Institutions is, indeed, a 'hospital' both in terms of the type of patients admitted; the purpose of the admission; and

the diagnostic, therapeutic, and cases from the Chicago State rehabilitative services available and used in their care."

In accordance with provisions of the State Hospital Licensing Act, the department of public health granted a license to Oak Forest Institution as a chronic disease hospital, Nov. 13, 1956.

Upon receiving word of the resolution, Carl K. Schmidt, Jr. superintendent of Oak Forest hospital, considered the new name a culmination of recognition accorded the Cook county hospital for chronic diseases, since its inception as an infirmary in 1910.

Oak Forest originally took

hospital at Dunning. Later on it became known as a "poor farm", with cows, chickens, pigs, and 200 acres of land planted with crops.

With the advent of social security 1935-36, this form of relief resulted in a change in the population at Oak Forest to people needing nursing care; a trend which has steadily continued, until today Oak Forest hospital has probably the largest group and variety of chronically ill patients under one roof anywhere in the world.

Oak Forest Hospital includes the chronic disease section of

ST. PAUL'S CHURCH—
(Continued from page 1)

Whitehouse, Bishop of the Chicago diocese, assisted by the Rev. M. Stout and the Rev. Mr. Locke. At the same time the two acres of ground around and adjoining the church were consecrated as the cemetery. The original deed of construction is framed and on display at the church.

When the church was built it was located in what was called Manhattan Center. It stood in the midst of its glebe, or landholdings on the northeast corner of Cedar and the Manhattan-Monee roads.

Allied With New Lenox

As the name Manhattan indicates the majority of the early settlers of that community came from New York and the land for the church was a gift by a William Bard of that state.

A rectory was built in 1874 and that and the cemetery still occupy the original site but the church building was moved to its present location in the village of Manhattan in 1896.

Grace church parish of New Lenox was organized thru the efforts of the Rev. Sam Corvell, rector of St. Paul from 1862 to 1869 and the two parishes have been closely allied since. For many years the rector of St. Paul's served Grace parish. Today the pastor at Grace, the Rev. Mr. Dixon, serves St. Paul's.

Despite the fact that the congregation today is small it takes great pride in the service the church has given to the community. The church was used by other protestant congregations until they could erect churches of their own and the church also was used by the community as a school. St. Paul also had a library which was the basis of the present Manhattan public library.

The original organ is still a part of the church altho there is a new electric organ, recently purchased, which is in use now. At the services Sunday Kay Seltzer will be the organist. A short organ program also will be given following the tea and reception.

O. K. Zoning Changes In Area

The Will county zoning board heard two local requests when they met in the Cooper and Hostert garage at Mokena Monday night.

The Skelly Oil Co., would erect a bulk station and warehouse adjoining the village of Frankfort west of route 45 and of the village. Attorney Herbert P. Folkers, owner of the property involved asked to have it zoned for an I-2. The board recommended an I-1 classification and it is not to include a tract of land east of Route U. S. 45 as was requested. Also the board agreed not to include the property immediately across from Pleasant Hill cemetery.

Appearing at the zoning hearing were members of the Frankfort planning commission and of the Cemetery Association board. Burton Breidert, chairman of the planning group opposed the rezoning of the tract east of route 45. It was stated that Mr. Folkers admitted he had no immediate plans for the area. Appearing in behalf of the Cemetery association were Fred Heisner, Orville Schroeder and LeRoy Mager.

At the same hearing Grace and Harlan Eisenbrandt asked permission to build a warehouse on their property west side of route 45 about 1,000 feet north of route 30. They desire to build a warehouse in which to store steel and building material and to distribute such materials. They propose to erect the building on the rear of above described lot. There were no objections and the board granted an I-1 permit.

Stabilized animal fat in dairy cattle feed is harmless, but causes no increase in yield of milk, percentage of milk fat or components of butterfat, according to veterinary authorities.

Grace Church To Hold Harvest Home Festival Sunday

The annual Harvest home festival of Grace Episcopal church at New Lenox will be held Sunday, Oct. 13.

Pot luck dinner will be served at 12:30 o'clock, immediately following the worship service. All former members and friends of the church are invited to the homecoming celebration.

The Rt. Rev. Charles L. Street, bishop of the Chicago diocese will conduct the annual confirmation service during the morning worship period.

Proceeds of Dance To Aid Lincoln-Way High School Band

The next semi-annual Band Boosters dance will be held in the Lincoln-Way High school from 9 p.m. until midnight on Saturday, Oct. 12.

The proceeds will be used to purchase additional uniforms for the band and to liquidate an indebtedness incurred by previous purchases for the band.

The theme of the dance will be "Country Side" and the gymnasium where it will be held, will depict scenes along a country road.

Refreshments will be available.

Mokena Resident Injured When 'Semi' Crashes Into Truck

William Kasper, 56, Rt. 1, Mokena, suffered neck injuries last Thursday when the truck he was driving was struck by a semi-trailer. The accident occurred on U. S. Route 6, near Marley.

Kasper, who is employed by the state highway division, was taken to Silver Cross hospital and held there for treatment. The truck he was driving was hurled into a ditch.

Driver of the semi-trailer, James C. Wilkins, 26, of Gary, escaped injury. Kasper was driving slowly, looking for defects in the pavement, when his truck was struck from behind by the semi-trailer. State Police Officer Ronald Elder gave Wilkins a ticket for following another vehicle too closely.

Kasper formerly resided in Homer township.

Brucellosis can be spread to cows by artificial introduction of infected semen, but the disease is seldom spread by infected bulls at natural service, veterinary authorities have found.

Conception rates are low for cows and delayed conception may occur if cows are bred before 50 to 60 days after calving, according to veterinary authorities.

Check the germination of seed wheat. Low-test-weight and diseased seed is often in germination.

Marley Widow Asks \$25,000 For Husband's Death

A \$25,000 suit was filed this week in the circuit court by Mrs. Alma Kohl, Marley, for the death of her husband, Alphonse who was killed May 2 when struck by a car at State and Franklin streets, Joliet.

Named as the defendant was Southcomb, 320 So. Reed st., Joliet, the driver of the car, which struck and killed Mr. Kohl.

Mr. Kohl was killed as he was crossing the street to his car after finishing his shift at the American Steel and Wire Co.

The suit was prepared by the law firm of Krusemark and Bertani.

Rock Island Asks ICC for Permission To Increase Fares

A hearing will be held at 10 a.m. Oct. 17, in the office of the Illinois Commerce Commission for the purpose of considering a request by the Chicago Rock Island railroad to increase passenger fares. All interested parties may attend.

New Rx-Accurate Medicine Dispenser

A meter valve which accurately measures medicine dosage, eliminating dangerous guess-work and sticky spoons to wash, is one of the newest helpful accessories for those on nebulizer-type prescriptions.

Developed and manufactured by Emson Research, Inc., Bridgeport, Conn., the valve and the prescription cylinder are made of stainless steel to make the device shatter-proof and also resistant to any possible weakening or changing effects that sunlight has on some prescriptions stored in transparent containers. The meter valve allows pharmaceutical houses to pre-measure the exact dosage — from 50 mg. to 3 grams. Light fingertip pressure will then dispense the prescription in the exact amount directed by the doctor.

Two of the first uses of this stainless steel metered valve and container are the nasal and throat spray in the handy aerosol device pictured. The valve is, however, adaptable to all push-button, pressure-packaged aerosols.

Hour's Excused Absence No Bar To State School Aid, Says Castle

Excused absence of a pupil for not more than an hour during a required 5-hour school day does not bar inclusion of the pupil in computing average daily attendance for common school fund apportionment purposes, Attorney General Latham Castle held today in an official opinion.

"I do not believe," Castle's opinion said in response to a query from Vernon L. Nickell, state superintendent of public instruction, "that the legislature intended or that the language of the statute requires that an excused absence for such a minor portion of the school day—one hour or less—should result in the pupil not being credited as having been in attendance on that day."

"The object of the common school fund," the opinion said, "is the improvement of the public school system. Schools must meet certain requirements to share in the distribution of the fund. However, the act should be construed in a manner to carry out rather than defeat its objective. Any doubts should be resolved in favor of the beneficial public purpose involved."

The Illinois School Code, Castle's opinion pointed out, normally requires children between 7 and 16 years old to attend school "the entire time it is in session." However, the opinion said, the code also provides that a child may be "excused for temporary absence for cause by the principal or teacher."

Provided in Code

"The practice of school authorities of excusing a child from attendance for a temporary period for proper cause at the request of the parent or guardian is, I believe," Castle's opinion said, "a universal custom of long standing and as above indicated is expressly authorized by the school code. Where absence is so excused, truancy is not involved and the compulsory attendance provision of the law is not violated."

The school code, Castle's opinion said, provides for the apportionment of the common school fund on the basis of a stated amount "for each pupil in average daily attendance." Computation of the number of pupils in average attendance, the opinion said, is to be made "by dividing the total aggregate days of pupil attendance by the actual number of days school is in session." Where there is more than one teacher, average daily attendance is determined "by taking the sum of the respective averages of the units comprising the group." Thus, the opinion said, "the two primary factors involved in the computation are (1) aggregate days of pupil attendance and (2) number of days of school."

Explains Opinion

The school code provides, the opinion explained, that, with certain express exceptions such as the opening and closing days of a school term, no pupil attendance will count toward aggregate days of pupil attendance if on such a day school was in session for at least "five hours of school work per day under direct supervision of teachers." Thus, unless a school offers the five hour program, it is penalized by not having any pupil attendance credit for that day. The 5-hour school day requirement, the opinion said, "relates to the scheduled school program rather than the individual pupils attendance."

Castle's opinion pointed out that teachers are required to keep daily registers showing average daily attendance. Where there is more than one teacher, the opinion said, the average daily attendance is to be de-

termined from the sum of such averages.

This contemplates," Castle's opinion said, "that the pupil may be counted as in attendance at school work periods he does attend although he may be absent from some other school work."

"The particular absence to which you refer," Castle's opinion advised Nickell, "is for the purpose of religious instruction of the child once each week. However, the answer to your question would of necessity be the same with reference to any excused temporary absence for not more than one hour no matter what the purpose—illness, medical treatment, some family emergency, etc."

Atom Age Brings Out New Rating In U. S. Navy

To identify the new rating of Navy Nuclear weaponsman, recently established, the Navy has issued its insignia.

This insignia consists of an aerial bomb about which revolve two electrons, with chevrons below denoting the wearer's pay grade. As with all navy petty

officer rating badges, the insignia is crowned with an American Eagle, its wings spread for flight.

In addition to establishing the new rating, Chief Frank Martin of the Joliet Navy Recruiting Station states that rules for men desiring to be nuclear weaponsmen have been set up and the first changeover examinations will take place in Feb. 1958.

In the past these duties have been performed by men of various ratings who were assigned special training courses. This

Personnel who are currently qualified in these special programs and graduates of the current nuclear weapons assembly-

man and technician courses are eligible to apply for the new nuclear weaponsman rating.

To allow future nuclear weaponsmen to receive adequate training, advanced courses in this field will be eventually established. Also, in January, 1958 the navy will begin sending sailors to the basic (Class

Community Club

The Schmuhl Community club held their first fall meeting Friday night, Sept. 27 in the school. Mrs. Edwin Meyer, retiring president, presided.

New officers elected were: D. M. Owen, president; Mrs. Kenneth Mills, secretary-treasurer.

It was decided to have mothers of each grade be hostesses each month, with first grade mothers being hostess at next month's meeting. Parents were all asked to subscribe to the Parent Teachers Guild, at \$2.00 per year. Following the meeting refreshments were served by Mrs. William Stoner and Mrs. Elmer Smith.

—O—
Mothers of the first grade students at Schmuhl school, met Wednesday afternoon Oct. 2 to plan a hot luncheon, to be served to the students at the school on Wednesday of this week. The menu consisted of a hot dog, potato chips, pickles, cup cake, jello and milk. The price for the luncheon was 35c per student.

The Good Will Industries Truck of Chicago will be in New Lenox Oct. 16 or 17 to pick up articles, at the home of Mr. and Mrs. Glenn Vally, 630 N. Cooper road. Anyone having articles to give to the Industries, are asked to call Mrs. Vally at 5921 no later than Oct. 14, at 5 p.m.

Dr. and Mrs. Ralph Wright and children spent the week-end in Trivola, with her parents, Mr. and Mrs. William Stalter. Dr. Wright, and Mrs. Alice Gorman, counselors at Lincoln-Way high school attended the annual state Guidance Conference at Peoria Oct. 4 and 5 at Bradley university. Mrs. Wright and the children went to Trivola by train and Dr. Wright met them there after the conference.

Mrs. Robert Taylor was hostess in her home Tuesday night at a block party, for the Methodist church members and friends. Assisting here were the mesdames Ione Stoner, Ronald Crisman, and Harlow Jensen.

Mr. and Mrs. Ronald Crisman and family spent the week-end in Chicago with Mr. and Mrs. Orval Gerloff.

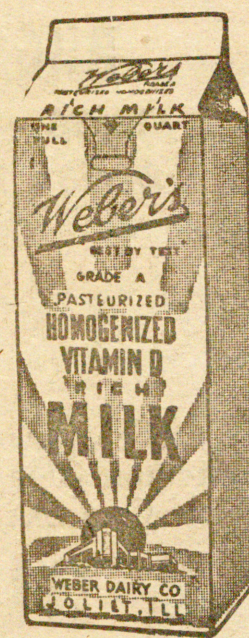

Barbara Taylor, and Sandra Kooyenga, who celebrated their 11th birthdays last week, observed the occasion, at a joint birthday party Saturday afternoon at the Kooyenga home. Games were played followed by a weiner roast. Guests were, Hensina and Leona Vanborg, Judy Owen, Millicent Halik, Carol and Janice Peterson, Betty Jane and Kathy Malloy, Debbie White, Elizabeth Madden, Dolores and Sandy Kooyenga Barbara Taylor, Helen Ann Gullikson, and Margaret Modon.

PTA News

CARL SANDBURG UNIT

October is Carl Sandburg high school PTA membership month. Mrs. William Cairnes, chairman, and her committee: Mrs. R. C. Tanning (North Palos), Mrs. Robert Ebeling (Orland Park), Mrs. Russell Bettenhausen (Orland township), Mrs. S. J. Mroek (Palos Heights), Mrs. Richard Barry (Palos Park), Mrs. J. Urquiza (Quin), and Mrs. D. J. Mith (Worth), are making very effort to contact all the parents of Carl Sandburg students, first by telephone to find out when it is convenient for them to make a personal call to the house and then to follow thru with the visit. However, if by chance, some parents are not reached by some member of this committee, they are urged to contact their regional chairman listed above, or Mrs. Cairnes. There will also be a table set up in the gymnasium of the school on "Back to School Night," Thursday, Oct. 17, and someone will there from 7:15 a.m. thru the entire evening to sign up members, collect dues (50 cents) and issue cards.

Total National PTA membership is 10,694,474—last year andburg had 771—inasmuch as there are close to 1,200 students enrolled this year, Mrs. Cairnes and her committee are aiming well over last year's membership total and a very special "welcome" mat is out for a larger enrollment of fathers this year.

TINLEY PARK

"The welfare of the child is the common denominator of all PTA work, whether on a local or national level," said Mrs. Paul Patterson, Midlothian, recording secretary of the Southwestern Area PTA council and a past delegate to the White House conference, when the Tinley Park Parent-Teacher Association met last Friday night. Mrs. Elmer Knudsen, PTA president, presided.

During the business meeting, Mrs. Irwin Johnson, membership chairman, announced that the local membership now includes 100 parents, and that Miss Dowling's room 400, in the Tinley Park School, has 100% parent membership.

Further plans for Family Fun night, Oct. 18, from 6 p.m. were disclosed by Mrs. James Elliott, plays and means chairman. "We need articles for the White Elephant sale," she stated, "and homemade jams and jellies, homemade candy, records and comic books, boots and rubbers for exchange and sale, plants and planters, and ten-cent prizes for the fish pond. For pick-up service, please call me at KE 2-571." Hot sandwiches and coffee

will be available for those who come early.

Mrs. John Jacobs, delegate to the Southwestern Area PTA Council reported that at the council meeting, Sept. 24, inadequate breakfasts and lunches of some students, and safety measures for Halloween night were among subjects discussed.

The attendance award, based on a room count of parents present, was given to Miss Dowling, room 400, of Tinley Park School, and to Mrs. Lembke, room 107, of Bert Fulton School.

The presentation of colors was given by Cub Scout Pack 255. The Rev. R. F. Hahn, of the Zion Lutheran church, gave the invocation.

Refreshments were served by seventh grade mothers.

EXECUTIVE BOARD TEA

Mothers of fifth, sixth, seventh and eighth grade students were entertained by the executive board of the Tinley Park PTA at an informal tea in the Village hall last Thursday. Thirty-nine guests were greeted by Mrs. Elmer Schumde, vice president.

Mrs. Schumde introduced the members of the executive board at the "Get Acquainted" party. Walter F. Fierke, superintendent of schools, introduced John R. Henneberry, principal of Tinley Park school.

While the mothers enjoyed refreshments, Supt. Fierke spoke briefly of the child's vital need for concrete parental interest in his school, his activities, and, mostly, in the child himself, particularly as he outwardly grows more independent in the later grades. In speaking of juvenile delinquency, Supt. Fierke stressed that the one thing which will help youth more in this area is that same outward parental interest.

Mrs. Charles Powers, recreation chairman, announced that 12 square dances will be given for seventh and eighth grade students this year, and that parent-chaperones are needed. Mrs.

Power's telephone number is KE 2-2894.

In charge of refreshments were Mrs. Grace George Boedeker, hospitality chairman, and Mrs. LeRoy Bauman, summer round-up and custodian chairman.

Washington Snapshots

More and more congressmen are having this question put to them by their constituents: "What will be done to stop gangsterism and union monopoly?"

Thus far no clear answer has been given. Sen. McClellan and some other members of his investigating committees say that legislation must be enacted to stop racketeering.

Meanwhile, the Labor Department has announced it is studying plans to modify the Taft-Hartley Act for presentation to Congress next year. Such a mod-

ification as has previously been proposed would give union monopoly a stronger grip.

Union leaders, and Senators and Representatives elected as "union labor candidates", continue to urge legislation virtually destroying any protective federal legislation.

There is widespread belief,

however, that public indignation may force Congress into action to protect the public, industry and union labor workmen from monopoly and gangsterism.

The incidence of mastitis seems to be higher in some cow families than others, veterinary authorities report.

Whether pretending they're Sherlock Holmes or examining leaves, youngsters are fascinated with magnifying glasses.

University of Illinois child development specialist, Mrs. Millicent Martin, says after children learn to adjust magnifying glasses to their eyes, they use them almost constantly.

Besides entertaining themselves, children can learn a great deal from them. They can examine pieces of cloth, their own skin, sand, flowers and insects. Many youngsters like to watch ants, lady bugs and earthworms. They learn something about the habits of these insect rather than cry, "Kill it, Kill it" when they see one.

If a child has books on insects, flowers and other nature items, he can learn to study the

Red Cross Adopts Mouth Method of Resuscitation for Small Children

The 1957 version of a centuries-old method of artificial respiration has been adopted by the American Red Cross for reviving infants and small children whose breathing has stopped, A. W. Cantwell, a national director of safety services, announced today.

The technique is known as mouth-to-mouth resuscitation. Modern refinements for application to children, Cantwell explained, were developed through studies, financed by a Red Cross grant, at Presbyterian Hospital in Chicago under the direction of Dr. Archer S. Gordon.

The studies led to a recommendation to the Red Cross by the National Academy of Science-National Research Council that the method be adopted. The mouth-to-mouth technique was used in Biblical times to revive apparently suffocated persons.

When the Red Cross six years ago adopted, a modification of this method was described for use on small children to lessen chance of injuries to the chest wall.

Since 1951, a search has been pursued by the Red Cross for an even safer method, resulting in adoption of the mouth-to-mouth process. One of its great advantages, Cantwell said, is that the rescuer can tell at any stage of the operation whether it is effective.

Six Steps

Steps in the mouth-to-mouth technique are as follows:

1. Clear the mouth of any foreign matter with middle finger of one hand. With the same finger hold the tongue forward.

2. Now place the child in a face-down, head-down position and pat him firmly on the back with the free hand. This should help dislodge any foreign object in the air passage.

3. Place the child on his back and use the middle fingers of both hands to life the lower jaw from beneath and behind so that it "juts out."

4. Hold the jaw in the position described in Step 3, using one hand only.

5. Place your mouth over the child's mouth and nose, making a relatively leak-proof seal and breathe into the child with a smooth steady action until you observe the chest rise. As you start this action, move the free hand to the child's abdomen, between the navel and the ribs, and apply continuous moderate pressure to prevent the stomach from becoming filled with air.

6. When the lungs have been inflated, remove your lips from the child's mouth and nose and allow the lungs to empty. Repeat this cycle keeping one hand beneath the jaw and the other hand pressing on the stomach at all time. Continue at a rate of about 20 cycles per minute. After every 20 cycles the operator should rest long enough to take one deep breath. If at any time you feel resistance your breathing to your breathing into the child and the chest does not rise, repeat Step 2 then quickly resume mouth-to-mouth breathing.

The question often arises concerning a technique to use on adults when the chest cage is

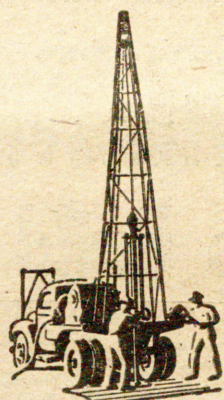

injured and compression of the chest would do further damage or when fractured upper extremities would eliminate the expansion phase of "push-pull" techniques. The mouth-to-mouth or mouth-to-nose technique may be used in these cases; however, the cycle should be slower than that used for children. Approximately 12 cycles per minute should be adequate. The lower jaw must be held in the "jutting out" position with both hands at all times.

PMA Members To Fix Limit On Marketing Fees

Three hundred and thirty dairy-farmer members of Pure Milk Association will meet at Chicago Monday, Oct. 14, to make fateful decisions regarding future pricing and financial policies of the cooperative.

These dairy farmers will come from Illinois, Indiana, and Wisconsin as official delegates of PMA membership to the annual delegate meeting. They will decide on the limit of marketing fees for the next year, the level of bulk milk premiums in the Association's 15 plants and advise management on the kind of milk pricing it should strive for in future negotiations and bargaining.

Each delegate represents up to 50 members of the cooperative at this major policy-making meeting. Delegates are elected

MAURICE P. ANGLAND

The steel industry's rate of incoming orders has picked up in recent week not however at a dramatic rate but merely at one which raises hopes in so far as the industry's rate of operations for the fourth quarter are concerned. Most estimates point to a steel operating rate in the coming week of about 82.5% of capacity. Such a rate of operation will raise the average operating rate for the month of September to 81.9% of capacity, a slight improvement over Aug.

We should not forget, in comparing steel activity and percentages of capacity as to operation rate with 1956 or previous years, that a very substantial addition to steel making capacity, was brought into production early in 1957.

Wanted for Building

For the fourth quarter as a whole most industry sources believe that the operating rate will fall somewhere between 83% and 88% of capacity. This expected range represents a revision downward from the 90% capacity level expected only a month or two ago. However, should the industry operate at the lower end of the scale for the fourth quarter then total steel output for the year will be about 115 million tons or the same level achieved by the industry in 1956, its second best production year. Should the industry realize operations of 88% of capacity for the fourth quarter then its output for the year will be about 117 million ingot tons, the same amount realized during 1955, the industry's best year.

On the whole the strongest area of steel demand is in the construction end as it has been for some time. At the present time in fact deliveries have fallen behind specified delivery dates. This condition is particularly noticeable in heavy plate and wide flanged beams.

Auto Demands Spotty

As far as automobile demand is concerned there has been a pickup but it has not been uniform. For example, two members of the "Big Three" auto producers have been placing orders at a rate which is commensurate with the expected production of new models. The major auto producers, on the other hand, has not yet come thru with the type of volume orders that most steel observers had expected. Within the next thirty

days, however, orders from the automobile industry are expected to assume a more uniform pattern.

Bethlehem Steel is a big producer of heavy shapes and also the owner of a principal ship building firm which is an excellent outlet for its products.

Need Higher Profits

Jones & Laughlin, another producer of heavy shapes, recently completed plant expansion and modernization which puts this firm in an excellent competitive position. It is said that this company's break-even point is now around 50 per cent of capacity.

Lone Star Steel is located in Texas and specializes in production of oil and gas transmission pipe. This company has been operating at a high degree of capacity and seems likely to continue at this rate for some time.

To keep abreast of known steel demands, steel manufacturers must considerably increase their capacity in the next few years. Most of the firms feel that a large amount of the funds necessary for such expansion, must come from their own funds rather than borrowing.

This is a major reason for their insistence that prices be increased if wage rates increase. They must have adequate profits to finance expansion.

When students enrolled as freshmen in U. S. veterinary colleges nearly 45 per cent of them already have completed a four year college course for a bachelor degree, according to the American Veterinary Medical Association.

Students at the University of Illinois can elect either a four-year course of study or a five-year course, both leading to a bachelor of science in agricultural engineering.

Largest State Aid Claim Paid To Outlying Cook County Schools

The largest final state aid claim ever approved for outlying Cook county public schools was certified by Vernon L. Nickell, state superintendent of public instruction.

Nickell approved the amended claim in the amount of \$12,371,988.08 for the school year which ended June 30, 1957, which was a part of a record state wide claim of \$93,433,081.03

The state superintendent of public instruction has certified payment of the county claim, payable to Noble J. Puffer, county superintendent of schools, who in turn will disburse the claim to the districts in the county.

Pursuant to an act of the 69th Illinois General Assembly, in 1955, the state aid statutes were changed to provide for two claims to be filed with Nickell's office, by counties. School districts are required to file state aid "prior" claims by Nov. 1 of the School year for which claims are sought. Amount of annual claim is determined according to statutory formulae for the September and October school months. Monthly payments against the claims are made by Nickell's office for six months beginning in January. This newer type of distribution considerably lessens the previous waiting period by school districts for state aid from the common school fund.

A second claim, the amended claim, is filed and approved on Sept. 15. Many districts experienced drops in average daily attendance, the basis for computing claims, during the months which follow the applicable months for prior claims. As a result, their amended claims are somewhat lower for the year than originally set forth in the prior claims. Under an arrangement made by Nickell with the office of the auditor of public accounts, the last four monthly installments of state aid for any given year are revised upward or downward so that at the end of the twelfth and final installment of a given school year, the amended claim total has been

A total amount of the previously certified prior claim for the 1956-57 school year on a statewide basis was \$97,093,853, or \$3,660,771.97 over the final figure which will be paid under the approved amended claims. All funds for state aid from the common school fund for the 1956-57 school year are secured by the state's budget for the fiscal year ending June 30, 1957.

Outlying Cook county's original prior claim was set at \$12,601,386.21, or \$229,398.13 over its finally approved amended claim.

DeLoss Walker To Speak At Derrick Days Dinner

Lockport, designated by Governor Stratton as the state's center of activities for Oil Progress week opens its three day "Derrick Days" celebration Oct. 17 with a 5 a plate banquet at which De Loss Walker, editor and radio and TV broadcaster.

The Lockport Better Business Association in bringing Mr. Walker to Lockport has sought him out for his remarkable knowledge of business, and his keen analyses of American life and problems.

DeLoss Walker has really seen America. He has traveled more than two million miles inside this country and continues to move thruout the 48 states. In addition to his articles for newspapers and editorials, his voice is known by millions from his nation-wide broadcasts and appearances on TV.

Has Interesting Career

He is recognized as a leader and has helped revitalize many cities. His popularity is based on the fact that he believes in people and things and fights for—not against. His tremendous faith and optimism overcome obstacles, so the press has reported numerous times. "Who's Who in America" lists many interesting facts about his activities. He was graduated from DePauw University and his career began in New York City. His tremendous energy and enthusiasm stem from a long athletic career. He was a national champion athlete (competing for the New York Athletic Club), and he played basketball for more than 20 years. His first international recognition came from his experience in China where he served the Republic of China and studied as he traveled thruout the Orient.

Invite Civic Leaders

Walker learned business the hard way. He was a Superintendent of coal mines, and later operated his own mines in Pennsylvania. Still later he was

president of a sales corporation.

As an editor of Liberty magazine he started his study of "main street", and aided communities in their struggle against the depression. This put him in front page headlines of the press wherever he went. Many honors have come to him. In Texas the legislature voted a joint session to hear him. In many cities he led parades—with the schools and stores closed in order to join. Numerous publications have placed him in their "hall of fame." He has been a guest in the Imperial Palace in China, and in the White House in Washington, D. C.

Banquet tickets will be available from any member of the Lockport Better Business Association in Lockport. Civic leaders all over Illinois are invited to come to Lockport to hear Mr. Walker's vital message.

Six Illinois young people will live on farms in foreign countries under the 1957 International Farm Youth Exchange program.

The brand-new '57 Fords in our showrooms and on our lots are the last we'll get this model-year. So if you want to get in on the season's most successful car... at the season's most attractive prices... do it now! Remember! Higher product costs will increase the price of 1958 cars—another big reason to buy the '57 Ford... lowest priced of the low-price three.*

Come on in and get America's favorite car! You'll drive away with long, low Sculptured styling, Thunderbird V-8 power and a new built-for-keeps "Inner Ford." This is the last month to get in on the savings of the new kind of Ford. So act now! You'll find Ford is not only priced the lowest of the low-price three... but costs less to run, brings more in trade. And you'll get an extra high trade-in, too!

Read Romans 12:1-9.

Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. (Romans 12:2).

Seated opposite me in a railway carriage was a selector of a team for international sports. With much hesitation I asked, "Why did you choose so-and-so?" His answer was, "Because he is a team man." He meant that whatever the captain ordered, the player obeyed, whether it was his style of play or not. He played for the captain and the team.

Many of us are self-centered, with an exalted opinion of our judgment and wisdom. The result is that we play as individuals rather than as members of a team. E. Stanley Jones tells of a cartoon of a sick-looking world with a doctor holding its pulse. The doctor shakes his head and says, "You are in a bad way. You are allergic to yourself."

Our self-centeredness can be changed when we accept God in our hearts and allow His power to transform us. Then we become "able to make out what the will of God is, namely, what is good and acceptable to him and perfect."

PRAYER

O Lord, forgive me if through vanity and selfishness I do not obey Thy will and so hinder the coming of Thy kingdom. This I ask in the spirit of the Master, who taught us to pray, "Our Father who are in heaven . . . Amen."

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon at Christian Science services this Sunday, October 13.

Readings from the King James Version of the Bible will include the following from Psalms (67:1,2): "God be merciful unto us, and bless us; and cause his face to shine upon us; That thy way may be known upon earth, thy saving health among all nations."

From "Science and Health with Key to the Scripture" by Mary Baker Eddy the following selections will also be read (206:26-28,30): "Instead of God sending sickness and death, He destroys them, and bring to light immortality — God does not cause man to sin, to be sick, or to die."

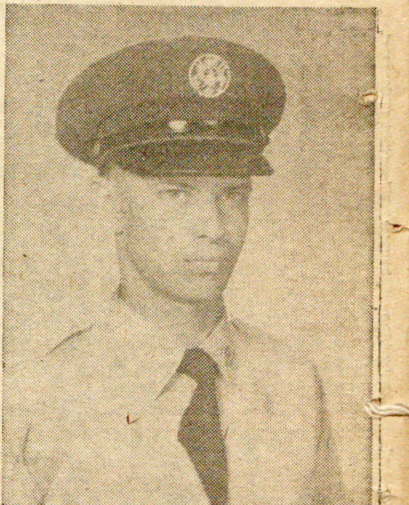

The Golden Text is from Proverbs (12:28): "In the way of righteousness is life; and in the pathway thereof there is no death."

Toastmasters

Elias Brown was the toastmaster at the dinner Monday night of the New Lenox Toastmasters club, held in the Methodist church. John Minion was topicmaster, and speakers on the program were, Lester Brown, William Hiedrick, Lewis Loebe, Kenneth Tauber and Kenneth Mills.

Master evaluator was Ernest Hoefler, and evaluators were, William Clark, Paul Kauffman, William Wilson, and John Richardson. Invocation and Benediction was by John Gilmore; timekeeper was John Burlingame; and Wordmaster was William Wilson.

An interesting question was debated, "Should High Schoolers Go Steady"? William Heidrich devoted his speech to the affirmative, and Lewis Loebe gave his reasons against the question.

Assignments for the October 21 meeting are: toastmaster, William Heidrich; and speakers, John Burlingame, Ernest Hoefler, John Minion, William Wilson and Ronald Whitaker.

A family party was held in the home of Mr. and Mrs. E. A. Osmus on Monday evening to celebrate birthdays of the month. Grandson, Gary Nowels son of Mr. and Mrs. Eddie Nowels, of Plainfield, was one year old on Oct. 8. Gordon Osmus, of Aurora, son of Mr. and Mrs. E. A. Osmus, had a birthday Oct. 12. Mrs. Minnie Osmus was surprised on her coming birthday which is Oct. 25. The party was also a farewell for her as she will be leaving this week to spend a few months with her son and daughter-in-law, Mr. and Mrs. Ray Osmus of Jackson, Mich. For the past month she has been spending most of her stay with Mr. and Mrs. Leonard Osmus and daughter Lori Lynn, in Plainfield and other relatives in Joliet and Frankfort. Games were played and refreshments served to 20 guests from Aurora, Plainfield and New Lenox.

Rosary Devotions

The Hi-Teens and the intermediate and upper grades from St. Jude's school dedicated themselves to the Blessed Mother Oct. 1 by the formation and recitation of the Living Rosary in a church ceremony. The parishioners and school children joined the group in the recitation of the holy rosary and the singing of hymns to Mary. October is dedicated to Mary through the Rosary.

The sermon given by the pastor and benediction of the Blessed Sacrament were part of the devotion. Beautifully decked altars with attractive bouquets of gladioli and chrysanthemums added to the devotion of the ceremony.

Mrs. Emma Rought and Mrs. Anna Parsons will be hostesses at the monthly meeting of the Womans Guild of the Episcopal church to be held tonight, Oct. 10 in the parish hall at 8 o'clock.

The Lincoln Log

GUIDANCE COUNSELOR

Dr. Ralph Wright and Mrs. Alice Gorman, counselors at Lincoln-Way high school attended the annual state guidance conference Oct. 4 and 5 at Bradley university in Peoria. The theme for the conference was GUIDANCE — forethought and afterthought.

FUTURE NURSES

The Future Nurses association of Lincoln-Way boasts 20 junior-senior members and fifty-five freshman-sophomore members. Plans for the year include a visit to a nursing school held in a hospital within the Chicago area, a Halloween sock hop, Oct. 25, and a freshman-sophomore sock hop restricted to the freshman group and their guests.

COLLEGE NIGHT

Plans are being made for a college night to be held at L-W in the near future. Representatives from various colleges will be on hand to meet with students and parents. Specific details as to the date and the colleges which will be represented will be announced later.

LOSE UGLY FAT In Ten Days Or Money Back

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

WORK PROGRESSES on the Frankfort Methodist church under construction by the Hansen and Petersen Co. of Joliet. The church is being built at the intersection of Sauk Trail

and Linden drive. It is of a modern, functional design and so constructed that an addition can be erected if the need arises

INTERIOR VIEW of a section of the new Frankfort Methodist church. The view here takes in the front of the church where the altar will stand. The sweep of the special trusses supporting the roof shows the grain of the fine wood and is quite pleasing to the eye. (Robert Porter photo)

ON PARADE and quite a sight they made too, these members of the New Lenox Riding club which held their annual gymkhana—play-day on horseback to the rest of us—last Sunday. With the flag and club banner out in front a fast look makes one think of cavalry but a

closer glance reveals gals in the outfit so one thinks of pictures of the people lined up waiting for the gun to signal the opening of the Cherokee Strip. It was a nice parade, a good show. (Robert Porter photo)

WINNER IN WHEEL BARROW race at New Lenox gymkhana was Tom Treadway of Palos Park. Seated in the barrow is Mr. Treadway's daughter and partner in the event, Linda. Presenting the award to the winner is Jean Jensen, of New Lenox. In the background is Ringmaster Stuart Vanderbilt of Peotone.

COMMUNITY PROJECT is the proper way to describe the building program now in progress in the Anne Rutledge school grounds at Lincoln Estates in Frankfort township. The men of the area are building a concrete platform that will serve the youngsters as a basket-

ball court or a tennis court. This picture was made as work was begun on the foundations last Saturday morning. Sand and stone are in place and the pouring of concrete is scheduled for this coming Saturday. (Robert Porter photo)

PET PARADE WINNER at the New Lenox Riding club show last Sunday was Mary Ann Piner for the entry of her beagle, Midnight. To Mary Ann's left is Laurel Lauffer, Mokena, who took a prize with a baby rabbit so small that the ribbon around its neck hides the creature and at the right is Paul Diagula, Mokena, with a chihuahua. And the young lady presenting the prize is Shirley Sarris, a model for a Joliet store. Quite a pet herself, isn't she? (Robert Porter photo)
